Plymouth High School for Girls

"For life, not school, we learn"

7th May 2024

Free 11+ preparation and KS2 learning support for disadvantaged students.

Dear Parent / Guardian

We are pleased to let you know that Plymouth High School for Girls has partnered with Atom Learning, the leading 11+ preparation and Key Stage 2 learning website, to provide free learning and exam preparation support to primary school children who are eligible for pupil premium and considering taking the 11+.

PHSG is proud to be open to students from all backgrounds and the goal of this partnership is to encourage even greater representation at our school. Eligible students will receive access to Atom Home for free (**normally £575.90 a year**).

What is Atom Home?

Atom Home is an online learning and 11+ preparation platform for ages 7-11, designed to build children's confidence with Key Stage 2 learning objectives and familiarise them with the style of questions they may see in 11+ entrance tests. Built around national curriculum frameworks, with additional material for verbal and non-verbal reasoning, children can practise 11+ questions and explore learning resources, mock tests, video tutorials, and exam preparation materials.

Do you know someone who is eligible?

If you know someone whose child is preparing for the 11+, or is in need of extra Key Stage 2 learning support, please share this link with them:

[Free 11+ preparation and Key Stage 2 learning for pupil premium students | Atom Learning](#)

After completing the form on this page, their primary school will receive a notification to verify their pupil premium eligibility. Once confirmed by their school, their Atom Home account will be created.

If you would like to find out more, please email pupilpremium@atomlearning.com.

Yours faithfully

Miss Donna Roughton
Deputy Headteacher
