What is special consideration?

*“Special consideration is a post-examination adjustment to a candidate’s mark or grade to reflect **temporary** illness, **temporary** injury or some other event outside of the candidate’s control at the time of the assessment, which has had, or is reasonably likely to have had, a material effect on a candidate’s ability to take an assessment or demonstrate his or her normal level of attainment in an assessment.*

Special consideration can only seek to go some way to assist a candidate affected by a potentially wide range of difficulties, emotional or physical, which may influence performance in examinations. It cannot remove the difficulty faced by the candidate. There will be situations where candidates should not be entered for an examination. Only minor adjustments can be made to the mark awarded because to do more than this would jeopardize the standard of the examination.”

[JCQ [A guide to the special consideration process](#) section 1]

This document is further referred to in this policy as [SC](#)

Purpose of the policy

The purpose of this policy is to identify roles and responsibilities in the special consideration process and confirms that Plymouth High School for Girls agrees to “*submit any applications for special consideration where candidates meet the published criteria.*”

[JCQ [General regulations for approved centres](#) section 5.10]

Eligibility for special consideration

Roles and responsibilities

Head of centre

- ▶ Is familiar with the contents, refers to and directs relevant centre staff to the annually updated JCQ publication [SC](#)
- ▶ Ensures that, where relevant and in eligible situations, applications for special consideration will be submitted to awarding bodies by the exams officer

Exams officer

- ▶ Understands the criteria as detailed in [SC](#) to determine where candidates will/will not be eligible for special consideration
- ▶ Ensures that, where relevant and in eligible situations, applications for special consideration will be submitted to awarding bodies

Teaching staff and/or SENCo

- ▶ Provide any appropriate evidence or information that may be required to determine a candidate’s eligibility for special consideration.

Candidates (or parents/carers)

- ▶ Provide any medical or other evidence that may be required to determine eligibility for special consideration

Applying for special consideration

Where eligible, special consideration will be applied for in a specific exam series where candidates “*have been as prepared as fully as possible given the lockdown periods and have covered the vast majority of the course but performance in the examination, or in the production of controlled assessment, coursework or non-examination assessment, is materially affected by adverse circumstances beyond their control.*” [[SC 2](#)]

Timetabled Written Exams

1. Where a candidate may arrive for an exam or green assessment and is clearly unwell, extremely distressed and/or may have sustained an injury that requires emergency access arrangements to be put in place:
 - ▶ the candidate will be kept comfortable and under supervision from the required time while appropriate arrangements are put in place for him/her to take the exam in the best possible conditions
 - ▶ a judgement will be made on how the candidate's situation or disposition affected performance in the exam
 - ▶ where appropriate and where eligible, special consideration will be applied for
2. Where candidates may be affected by a major disturbance in the exam room (emergency evacuation etc.), special consideration will be applied for on behalf of all candidates.
3. Where a candidate may be affected by a minor disturbance in the exam room caused by another candidate (momentary bad behaviour, mobile phone ringing etc.), special consideration cannot be applied for.

If a candidate is absent for acceptable reasons, and the centre can verify this, special consideration will be applied for if the exam missed is in the terminal series and the *minimum requirements for enhanced grading in cases of acceptable absence* can be met. If there is an opportunity to re-enter the candidate in the next available exam series, the centre will make the entry and special consideration will not be applied for.

For green assessments, students will be given the opportunity to complete the assessment at a time that is as near to the examination timetable as possible and in a few cases

where the examination might need to be taken at home, parents will be asked to sign a document to verify that exams conditions were followed.

Where other issues or problems affect a candidate or a group of candidates, special consideration will be explored in [SC 5](#) and applied for where eligible. This might include, for example:

- ▶ requesting an honorary certificate
- ▶ a short extension to controlled assessment/coursework/non-examination assessment deadlines
- ▶ submitting a reduced quantity of controlled assessment/coursework/non-examination assessment (shortfall in work)
- ▶ lost or damaged work
- ▶ candidates taking an incorrect or defective question paper
- ▶ candidates undertaking the wrong controlled assessment assignment

Where a candidate may be eligible for special consideration (a post assessment adjustment) in a vocational qualification, the centre will follow [SC 7](#) and awarding body guidance to determine if, when and how an adjustment can be applied for.
