

3 May 2024

Dear Parents and Carers

I do hope this finds you well.

My letter to you this week is about GCSE, A level and KS3 assessments. I thought you would appreciate a reminder about what's happening across the 7 year groups in the next few weeks.

Our year 11 enjoyed their celebration event today, particularly the 'total wipe out' inflatable game. Miss Benwell has been around all morning taking photos of the event and of groups of friends. These photos are available on the Student Teams channel so that students can choose which ones they wish to keep. The study arrangements for year 11 can be found [here](#). We wish year 11 the very best of luck in their examinations and look forward to celebrating with them in August. Should you have any concerns regarding your child's examination preparation, please do contact their class teacher. Full revision information is available on Teams.

Year 13 are scheduled to have their leavers event on Thursday 9<sup>th</sup> May. Students should arrive on site for 9.15. We hope that year 13 enjoy their day and that the sun shines for them. A reminder of the study arrangements for year 13 can be found [here](#)

Year 12 mock results will be available on Thursday 6<sup>th</sup> June. Students will collect their results in school and they will also be emailed to you in the usual way reports are sent out. Should you have any concerns regarding the outcome of the mock papers, please do contact your child's teacher or their tutor.

Years 7, 8 and 9 have their end of year examination in the last week of this half term, week beginning Monday 20<sup>th</sup> May. Students have been given revision materials via Teams and will be doing revision activities over the course of the next two weeks. Students have been encouraged to prepare well for the end of year assessments and are being supported in school. We wish them well.

I do hope you all enjoy a restful and enjoyable bank holiday weekend.

Very best wishes,

A handwritten signature in cursive script, appearing to read 'S. Underdown', followed by a horizontal flourish.

**Simon Underdown.**
