"For life, not school, we learn"

20 March 2025

Dear Parent/Guardian

Video Parent Meetings

Thank you for your patience and understanding regarding the postponement of the parents' evening originally scheduled for Thursday, 27th February 2025, from 15:45 to 18:00.

We have now rescheduled this parents evening and you are invited to make an appointment for the revised date. Unfortunately, we are unable to transfer the appointments made for the 27th February to the new date. Therefore, the entire booking process will need to be repeated. Please accept our apologies for this.

The new parents evening will take place on **Thursday 3rd April 2025** and the meetings will be offered **from 15:45 until 18:00**. The appointments will be held by video meeting rather than in-person at the school. Similarly, it may be that teachers conduct the meetings from alternative locations.

Please note that there are some teachers that will be starting earlier than 15:45 and going beyond 18:00, due to commitments for after school clubs for example, but the vast majority of appointments will be for between 15:45 and 18:00. There are also a few staff who will be holding their appointments on a different day during the week commencing 31st March due to them being part time or because of after school club commitments.

During the appointment, teachers will summarise your child's strengths and areas for development and what their focus should be in order to prepare for the mock examinations that will take place right after the Easter break. They will also discuss with you predicted grades for the final examinations and will be happy to answer any questions you have.

We endeavour to provide all parents with an appointment to talk with their child's teacher. If parents find that they are unable to make an appointment for a particular subject, we ask that they contact their child's subject teacher by email.
