*"For life, not school, we learn"*

1 May 2025

Dear Parents and Carers

We would like to invite you to a year 10 parent and student event on Thursday 8th May 2025. The focus of the evening will be preparation for the end of year 10 examinations, which will take place from 16th June.

There will be a short talk from the Headteacher and myself, as well as some student leaders, on how best to prepare for these important assessments.

The rest of the evening will then be an opportunity for students and parents to visit departments and talk to subject specialists on how best to revise for specific areas of the curriculum, to consider effective revision strategies and obtain support materials where appropriate. For those subjects with NEA (coursework) there will also be an opportunity to see samples of work at the highest grades.

We ran a similar event last year and the feedback from students and parents was very positive.

The event will run from 4.00pm, with the talk taking place at 4.15pm and 4.45pm in the Newman Hall. The evening will conclude by 5.30pm.

We look forward to seeing you then

Yours faithfully

Duncan Law  
Head of Year 10
