"For life, not school, we learn"

Dear Parent/Guardian

Video Parent Meetings

You are invited to make an appointment for the school's Year 11 parent-teacher meetings. The meetings will be offered on **Thursday 9th October and Thursday 16th October 15:45 until 17:45**. The appointments will be held by video meeting rather than in-person at the school. Similarly, it may be that teachers conduct the meetings from alternative locations.

Please note that there are some teachers that will be starting earlier than 15:45 and going beyond 17:45, due to commitments for after school clubs for example, but the vast majority of appointments will be for between 15:45 and 17:45. There are also a few staff who will be holding their appointments on Wednesday 8th October and Wednesday 15th October due to them being part time or because of after school club commitments.

During the appointment, teachers will summarise your child's strengths and areas for development. They will also discuss with you predicted grades for the final examinations and will be happy to answer any questions you have.

We endeavour to provide all parents with an appointment to talk with their child's teacher. If parents find that they are unable to make an appointment for a particular subject, we ask that they contact their child's subject teacher by email.

Please note that there will be no IT appointments available at this parents' evening. This is due to the long-term absence of Mr Richards, and the current cover teacher not yet having had the opportunity to get to know the students well enough to provide detailed feedback. Progress updates will be included in the next report following the mock examinations in November/December, which will be shared with parents in January.
