

Plymouth High School for Girls

"For life, not school, we learn"

11th September 2020

Dear Parent/ Carer,

I hope that your daughter has settled well during the first few days of school. We have been very impressed by our students and how they have adjusted to school after so much time away.

At the beginning of each Academic year, we normally host an 'Information Evening' where we explain our expectations and you are given an opportunity to meet key members of staff. Unfortunately, due to COVID restrictions, this is not possible so instead we will be providing the information virtually. Next week, you will receive an email which will provide a link giving details: please read this information carefully and should you have any questions, please contact the tutor in the first instance.

Thank you for your support so far and we hope to see you later in the academic year.

Yours faithfully,

S Joynes
