

# Plymouth High School for Girls

*"For life, not school, we learn"*

15<sup>th</sup> September 2020

Dear Parents and Carers,

Over the weekend, we became aware that a student in one of our bubbles tested positive for COVID19.

We contacted Public Health England and took advice from them.

The families of the students in the affected bubble were contacted on Sunday and the students asked to isolate in accordance with the National guidelines. No other bubbles are affected. We are in daily contact with Plymouth City Council Health Protection Teams to ensure that we are taking all reasonable precautionary measures.

Please follow this link: <https://phsg.org/school-policies> to see a detailed FAQ around the actions we have taken and also a reminder about what families can do to reduce the spread by seeking tests if any member of the family is showing symptoms.

Please be assured that we are doing everything we can to keep our community safe.

Best wishes,

**Simon Underdown**  
**Headteacher**
