

Dear Parent/Guardian,

We are Groundwork South your local NCS provider. In the coming weeks, we will be delivering virtual assembly's within your school to Year 12 students and wanted to let you know that your teen is eligible to take part this autumn/half-term. Our Programme is running from **October 26th – 30th** (During half term)

As we all start to navigate our way around this new normal, everyone could do with an extra bit of help - and this is the perfect way teens can get involved.

They'll:

- Meet new people
- Gain skills to make their CV stand out
- Boost their confidence
- Be able to create positive change in the local community

In Plymouth, with NCS delivery partner Groundwork South, we have an exciting range of activities planned including team building activities and workshops covering presentation skills, CV Writing, Mental Health and wellbeing. They'll get to plan and deliver a social action project that can assist in the country's response and we'll celebrate their achievements with a party at the end of the week.

NCS this autumn is being planned in accordance with all government Covid-19 guidelines.

As NCS is government-funded, we usually ask for a contribution of up to £50. To make sure that everyone can get involved this autumn, NCS is **FREE** .

Places are limited, so head to **WEARENCS.COM** to sign up your teen. Any questions? Give us a call and we'll try our best to help you out: **0800 197 8010**.

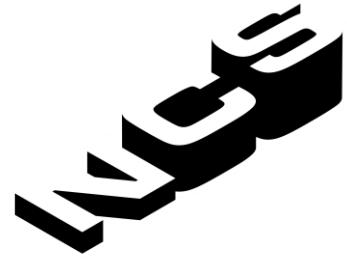

Thanks,

Groundwork South
