

Plymouth High School for Girls

"For life, not school, we learn"

5th January 2021

Dear Parent / Carer,

I wrote to you recently following the Government's announcement, just before the New Year, regarding return-to-school dates this term – please disregard this information.

You may be aware that, due to rising infection rates of Covid-19, the Prime Minister has announced a new national lockdown in a bid to prevent the further spread of the virus.

As part of this, all primary schools, secondary schools and colleges in England, including our school, Plymouth High School for Girls, are to be closed from today until at least the end of half term in February, except for children of key workers or vulnerable children.

Nurseries are able to remain open.

From today:

If you or your partner is a key or critical worker, or if your child is classed as vulnerable, then the school will remain open, and we look forward to seeing them in school.

As you know, we have worked incredibly hard since the start of the pandemic in March to keep our school community as safe as possible, and I would like to remind you of the continued safety measures in place on school grounds:

- Everyone is expected to remain in their allocated bubbles
- Students are encouraged to wash their hands regularly throughout the day
- Visitors / Parents must wear face coverings on school grounds, including at the school gates

Please note, where possible, we are working with windows open in classrooms for added ventilation, and as the cold days have returned, pupils may need a few more layers of clothing such as tights or leggings underneath skirts, and jumpers or plain fleeces without a hood or large brand logo.

VULNERABLE STUDENTS AND CRITICAL WORKER PROVISION - My team and I are committed to supporting our most vulnerable students and the children of critical workers who are dealing with the current crisis. If your work is critical to the Covid-19 response, or you work in one of the critical sectors listed below then your children will be prioritised for education provision:

- Health and social care
- Education of childcare
- Key public services
- Local or National Government
- Food and other necessary goods
- Public safety and national security
- Transport
- Utilities, communication and financial services

Headteacher: Mr Simon Underdown

If you wish to use this provision and have not already sent us the details of your critical worker role, please complete the form attached to this letter and email it to Mrs Payne at spayne@phsg.org by Midday on 8/1/21. This application form can also be found on our website [here](#).

You must give the school prior notice that you need to use this provision, so that we can provide appropriate staffing. Students arriving without giving prior notice may be turned away if we do not have adequate staffing.

For all other pupils, our school is closed until at least the end of the February half-term.

REMOTE LEARNING – We will provide high-quality remote learning to ensure a consistent education is available. We understand that this places pressure on you as a family during this difficult time, and your support in helping your child engage as much as possible is so important; and we are very grateful for your time and effort.

Students should log onto Google Classroom during their allocated lesson times to receive work from their subject teachers and participate in live learning where possible. We will monitor students' engagement with their remote learning.

I would once again like thank you wholeheartedly for your understanding and ongoing support in helping us to manage these ongoing changes. Please continue to take care and stay safe.

Yours sincerely,

Simon Underdown.

Headteacher.
