Due to Covid restrictions there will be no lunchtime practical clubs running at the moment. After school clubs will be happening in Year groups only, following the same guidelines as in PE lessons. Clubs will not cost this term as we will be funding external facilities. Students do not need to sign up (apart from trampolining) and can just turn up each week. Wear PE kit to school if you are intending on coming to the clubs after school. Netball is taking place outside so please bring warm clothes!
