

28th April 2021

DTP and Meningitis Immunisations

The DTP and Meningitis immunisations were taking place in school today. The Immunisation Team apologise if your child was unable to have the DTP and Meningitis immunisations today. This was due to a medical emergency and it was unsafe to continue the session. The Immunisation Team will return to complete the vaccinations at a later date. Could you please ensure that you have completed the consent form if you haven't already done so.

If you have any questions please contact the Immunisation Team on 0300 247 0082, or Sarah Fricker – email Sarah.fricker@nhs.net, tel. 07976516778.
