## Parent Pay update

Following the recent IT upgrade, our Parent pay account is currently not compatible, therefore we are unable to charge and receive monies from parents through this means at the moment. This means that we have been unable to charge monies for school meals provided since the 19<sup>th</sup> April.

Please keep track of meals your daughter/son are receiving on a daily basis, as when the system is up and running again the charges will be backdated to our paperwork we hold in the kitchen.

We apologise for any inconvenience this may have caused.

Many Thanks

Matt Comerford -Kitchen Supervisor
