

Plymouth High School for Girls

"For life, not school, we learn"

13th May 2021

Dear Students and Parents and Carers,

Face Coverings.

I would like to say a big thank you to all our students for their good nature and willingness to help us meet the recent Government expectations around social distancing and face coverings.

As you may have read, the Government has decided that from Monday 17th May, face coverings in schools will no longer be required for students in classrooms or communal areas. Staff will also no longer be asked to wear face coverings in classrooms.

I am sure that not having to wear face coverings in class will be a relief to us all and will be another step towards allowing school to feel more normal.

Best wishes,

Simon Underdown.
Headteacher.
