

Plymouth High School for Girls

"For life, not school, we learn"

12th October 2021

Dear Parent/ Carer,

Each year we host an Awards Event to celebrate the many achievements of the students in our school. Unfortunately, due to COVID restrictions we have made the difficult decision not to invite parents to this event and will instead host the event during the school day.

In order to minimise disruption to lessons, we plan for the event to take approximately 30 minutes and winners will be notified on the day. The event will take place on Wednesday, 20th October.

Thank you in advance for your understanding.

Kind Regards

Zoe Boyle
