

2<sup>nd</sup> November 2021

Dear Parents and Carers,

I do hope you had a restful half term break.

You may have seen on the news last week that the Government has made available vaccines to children aged 12 to 15 via the existing vaccine centres. For Plymouth, this is at Plymouth Argyle Football ground. Should you wish to take advantage of this service, please follow the [link](#).

We are still planning to offer the vaccines tomorrow (3<sup>rd</sup> November) in school to those for whom permission has been given, but I thought you would appreciate the additional information and flexibility.

Very best wishes,

**Simon Underdown.**  
**Headteacher.**
