

Plymouth High School for Girls

"For life, not school, we learn"

20th January 2022

Dear Parents and Carers,

I do hope you are well.

You will have seen that the PM announced a relaxation of the Covid restrictions in his address on 19th January 2022. Plymouth High continues to be in line with Government guidance and so I write outlining the changes to the control measures at school.

From today, Thursday 20th January 2022, students and staff will no longer be required to wear a face covering in classrooms or teaching spaces. However, anyone is welcome to continue wearing a face covering if they wish. Face coverings will still be required in indoor communal spaces until Thursday 27th January 2022, unless exempt.

From Thursday 27th January 2022, face coverings will no longer be required in any part of the school. Again, people may wear them if they wish.

Students will be informed of the new measures this morning.

Our students have adopted the control measures with maturity and understanding and I am grateful to them and to you for supporting us through this challenging time.

Very best wishes,

Simon Underdown.
Headteacher.
