## July Newsletter

### Head's Update

4th July 2018

The sun is shining and we have reached the end of another incredible year. Our students never fail to amaze us; they always strive to achieve their best, push themselves to new limits and work hard in all they do: this year has been no exception.

We have achieved so much in a year—it is impossible to list everything but as always, students have shown ambition, confidence and enthusiasm for all aspects of school life, and have been excellent ambassadors for Plymouth High School for Girls.

As we move into next year, we will be looking to develop these attributes even further and build on the strengths of our students and staff to achieve the best.

## Art

Our Annual Summer Art Exhibition took place in The Cells at Devonport Guildhall.

We showcased a collection of inspirational artworks by our A Level students including paintings, textiles, illustration and photography.

The collection was made up of final pieces with some preparatory work demonstrating the progression of the students. The exhibition highlighted the quality of work produced by the students and celebrated their incredible talent and hard work.

## Careers

The Year 9 students recently took part in a one day event delivered by South West Women In Construction. Their challenge was based on Green Living; a team activity looking at the impact of housing developments on the environment and the community.

Each team designed and produced a model layout of a sustainable, mixed housing development, as well as producing a tender document and presenting their ideas.

"I was amazed with the designs the students created in such a short time." commented Sustainability Engineer Eleni Kalyva from Hulley & Kirkwood, "It's great to see some 'Engineering' talent."

The winning team was Tara Webb 9BRO, Lauren Burston 9CRT, Lauren Herd 9JOS, Jasmine Higgins 9ROU, Brooke Freeman 9CRT.

## PE

So much has been happening in PE it's hard to know where to start! We have had so many individual achievements including:

### Athletics

**Emily Bee in Year 11** who won gold in the U17 women's 80m hurdles at the Southwest England School's Athletics Championships, twice beating the championships record; running an amazing 11:05 seconds. This puts her No 1 in the UK rankings! She also won U17 women heptathlon at the Southwest Schools Combined Events Championships, again putting her at No 1 in the UK rankings. All this as well as doing her GCSE's, an amazing achievement!

And team successes include:

### Athletics

Year 7 athletics team came second (by 1 point) in the city schools competition qualifying for the level 3 School Games; whilst Year 8 came 5th out of 18 with some strong performances from: Janea Oligan, Seana Hurrell and Libby Weddle.

## Job Vacancy – PHSG Quiz Master

This month I have decided to hang up my PTFA Quiz Master role.

I have thoroughly enjoyed putting the quizzes together over the last few years and want to thank all parents, students and staff who have supported me and the PTFA with the quiz nights. A special thank you to Mrs Randell who has been joint quiz master with me for the last year. The quizzes are great fun - even when people question my well researched answers!

The reason that I am hanging up my quiz master jacket, is that I love quizzes and would actually like to come to one.....so do you fancy taking on the role of quiz master supreme? If you are interested then please email the PTFA to express your interest and to find out more.

## Uniform

Before you start to make your purchases for next September's school uniform please refer to the School Uniform section of the student planner. It is compulsory for all girls in Years 7-11 to wear correct, neat and tidy uniform in school and on the journey to and from school. We would like all our students and parents to appreciate the part that uniform plays in contributing to the ethos and reputation of the school.

### Shoes

We wish particularly to clarify our policy regarding shoes: canvas shoes are not allowed on health and safety grounds so students should be wearing black leather shoes NOT trainers and not trainer style shoes.

Please be aware that some manufacturers label such shoes as "school shoes" but if they look like trainers they are not part of acceptable PHSG school uniform.

## PARKING

Out of respect for our neighbours and for health and safety reasons there is NO PARKING on the school site or for collecting/dropping off students on the double yellow lines outside our school gates.

## MUSIC TUITION

It would be most helpful if parents/carers of students who currently have instrumental or singing lessons could let us know if their daughters are going to continue or not in September. Regrettably there are still instances of lessons being arranged for students who have decided to stop without informing the school; the teacher who has come in for the lesson still has to be paid on these occasions. Please write in or email me on [rlemin@phsg.org](mailto:rlemin@phsg.org)

## STUDENTS LEAVING SCHOOL DURING THE SCHOOL DAY

For safety reasons if your daughter has to leave school during the school day, and you are unable to collect her, she must have a note in her planner with clear instructions that you give permission for her to leave unaccompanied. Without your express instructions to this effect we will not allow any students to leave school unless they are collected by an adult from reception.

## IS YOUR CHILD ELIGIBLE FOR FREE SCHOOL MEALS?

The school also benefits if your child is eligible for free school meals so please check the criteria below – if you meet any of these you can register by going online at: [www.democracy.plymouth.gov.uk](http://www.democracy.plymouth.gov.uk) or call into the school if you are unsure.

Dear Parent/Carer,

## **Re: General Data Protection Regulation - GDPR**

As you may be aware, the Data Protection Law in the UK changed on 25th May 2018. The new law is called the General Data Protection Regulations (GDPR). These new regulations are about protecting people in the modern information age. It gives more control to individuals and more responsibilities to organisations that collect and hold your data. Schools must comply too with it affecting everyone: staff, parents, students and volunteers.

We already have strict data protection policies. Data is kept secure and used appropriately. Much will stay the same but with GDPR it will bring even better security and greater transparency. In many areas consent is not needed as schools have a duty to keep children safe and deliver a high standard of education. Where consent is needed, you will be asked for it in a clear manner and be allowed to remove it, if you wish.

The attached Privacy Notice forms an Appendix to the updated Data Protection Policy which is currently being amended, but our current version can be accessed on the school's website.

The school welcomes the provisions of GDPR and you can be assured that we will continue to monitor our data protection arrangements to ensure that the greatest possible care is taken with all personal data.

We have appointed Mrs Kathryn Rogers as our Data Protection Officer. Please feel free to contact her if you have any questions regarding GDPR at [kr Rogers@phsg.org](mailto:kr Rogers@phsg.org)

As GDPR begins to take effect I'm sure our understanding and engagement with it will develop. If you have any questions regarding GDPR or if you feel there is more we can do to improve our systems and processes, we always welcome feedback from our parents and carers.

Yours sincerely

Mr Shaun Willis  
Interim Headteacher

## Measles, Chicken Pox and Shingles

Please may we ask your co-operation in an important matter?

Several of our students are receiving medical treatment which puts them at risk if they are exposed to **Measles, Chicken Pox or Shingles**.

If your child is suspected of having Measles or Chicken Pox you should let us know **immediately**.

It is important that you let us know if anyone has shingles in your household.

Your child is not at any risk whatsoever from this situation. However, the health and well-being of our students who are at risk, does depend on the co-operation of all other parents/carers.

Many thanks.

## Plymouth High Charity Walk Across Dartmoor

Last Weekend we completed the 30 mile route from Belstone in the North to Ivybridge in the South. It was a hot, demanding day of trekking over some of the most beautiful wild landscape we have in the South West and a great time was had by all!
