Dear Students (and Parents, Guardians)

I do hope that you are able to take some time to relax now that examination period is over. Although you will be awaiting your results, now is a time to concentrate on your other interests and spend time with friends and family as well as think ahead to your next steps.

This letter outlines the procedures for the Results Day in August.

A' Levels results day is the 17th August 2023

Results will be available from 8.30am.

Please enter the school via the main gate and make your way down past the courts to the GYM.

Parents are asked to wait on the netball courts for their child.

When you enter the gym there will be a table for each tutor group where you will receive an envelope containing your results and a letter about your next steps.

Before you leave we would ask you to inform the members of staff on duty in the gym what your plans are – which university and course, or apprenticeship, travel or employment. It is important for our records that we know your destination.

Once you have collected your results you will be directed towards the Metcalfe building. There will be an opportunity to discuss your next steps with a member of staff if you wish.

If you are not able to collect your results in person on the day for any reason then there are two options that we can provide for you.

We can email your results to you. In order for us to provide this service we require you to send an email to Mrs Hardwick (Julie.Hardwick@phsg.tsat.uk) stating clearly your name and the email address that you would like the results emailed to on the day. Mrs Hardwick will acknowledge receipt of this request, so you know that this has been recorded. The email will be sent to you on the results day itself before midday.

The alternative is that a designated person can collect your results for you. This has to be agreed before the results day itself. We would need the name of the person collecting the results and they would need identification on them to prove who they are. This would include your parents, the results are yours and we cannot release them, even to your parents, without your consent.

If on the day itself, you are unexpectedly unable to attend and collect your results, we can again email them to you or give them to a designated person. You will need to contact the school for either of these two scenarios above. We would once again, need the name of the person collecting the results and they would need identification on them to prove who they were.

No exam results can be given over the phone.

I hope that you are able to enjoy the few weeks between now and the Results Day in August.

Stay safe and we will see you soon.

Kind regards

Miss Donna Roughton
